

LGBTI Workplace Inclusion: A Catalyst for Change

28 November 2016

The Workplace Pride Business Conference will explore how work and the work floor is a vital component to LGBT inclusion around the world, and how businesses and companies can be turned into allies of LGBT advocates.

The focus will be on the South-East Asian region (ASEAN Countries) and Hong Kong. It will bring together employers and employees, government organizations, NGO's and activists, representing businesses, public sector and civil society to address the challenges of being LGBT in the various workplaces in the region.

The Workplace Pride Foundation is the international platform for inclusion of Lesbian, Gay, Bisexual and Transgender (LGBT) people at work. Initiated in 2006, its 50 members employ more than 3 million people worldwide and share the vision to 'Change workplaces around the world to be truly inclusive, ensuring that Lesbians, Gay, Bisexuals and Transgenders are fully visible, valued, empowered, and leading the way for others'.
