Results Overview
Thank you again for participating in the 2021 Workplace Pride Global Benchmark. Below are the results of your submission. Your Relationship Managers can help you to interpret your results and explain the suggestions so that improvements can be made in the current year, and still be considered for the 2022 Global Benchmark.

2021 score: 68.3%

TREND MONITORING
This chart shows your historical scoring with comparisons to median scores:
- median of all participants
- by sector (public/private)
- by industry group
- by organisational size

Overall scores can vary over time as we 'raise the bar' for optimal LGBTIQ+ workplace inclusion criteria.

SECTIONAL ANALYSIS
This 'spider chart' details your 2021 scoring across the 8 sections of the Global Benchmark.
Comments on each section are color-coded throughout the report to facilitate comparison.
Section Results (sections 1-4)
This section shows your scores in the individual areas of focus of the Global Benchmark. The meter provides an indication of how you compare to other participants per section, and how your score in this section has changed over previous Global Benchmark submissions.

**Policy & Communication (PC)**
- **opportunities for growth**
  - < specify gender expression and intersex status in policy >
  - < structure discrimination complaint process >
  - < audit communications >

**Employee Network (EN)**
- **opportunities for growth**
  - Congratulations! You earn maximum points in this section.
  - the existence and structure of LGBTIQ+ employee networks, and the role they play with regard to the organization’s objectives

**Workplace Awareness (WA)**
- **opportunities for growth**
  - < provide training for all new hires >
  - < make training available to contractors/contingent workers and to partners and customers >
  - < mention LGBTIQ+ in recruiting and during introduction days >
  - < involve LGBTIQ+ role models in recruiting and in introduction days >
  - < provide a mentoring program for LGBTIQ+ emps >

**Support & Benefits (SB)**
- **opportunities for growth**
  - < tailor benefits where needed >
  - < audit benefits to ensure they are inclusive >

Section Results (sections 1-4)
This section shows your scores in the individual areas of focus of the Global Benchmark. The meter provides an indication of how you compare to other participants per section, and how your score in this section has changed over previous Global Benchmark submissions.

- **Policy & Communication (PC)**
  - Change from 2020: +17.50%
  - Change since start: +45.00%

- **Employee Network (EN)**

Global Benchmark 2021 | visit www.workplacepride.org
LGBTIQ+ network & policy landscape

This chart visualizes the world regions in which your organisation has employees, and indicates where there is an LGBTIQ+ employee network present, and if there are LGBTIQ+ workforce inclusion policies enforced in that region.

Observations:

- There are 5 regions where you have no LGBTIQ+ Employee Network members - an engaged LGBTIQ+ employee network is a valuable resource to identify actions and drive progress.

- You do not enforce your LGBTIQ+ Workplace Inclusion Policy in 5 regions - having an enforced policy is critical in creating a safe environment for LGBTIQ+ employees.

Evidence

Supporting evidence is critical and ensures that the Workplace Pride Global Benchmark remains a valid evidence-based tool.

To help in preparing next year’s submission you will find here a list of the questions where the evidence submitted did not fully support the submission, and which specific items we found to be lacking or incomplete.
