Workplace  
**Pride**

THE INTERNATIONAL PLATFORM  
FOR LGBTIQ+ INCLUSION AT WORK

# Introduction

Although meaningful progress has been made for LGBTIQ+ people around the world, many LGBTIQ+ employees face discrimination, harassment, and discomfort in the workplace. For over a decade, Workplace Pride has been striving to push the boundaries of LGBTIQ+ inclusion in the workplace. To support our members effectively, Workplace Pride has developed a Learning and Development program that helps organizations foster LGBTIQ+ inclusive workplaces. Each learning goal is connected to elements in the Global Benchmark, so that members can efficiently select the module(s) that are needed the most.

# Our objectives

- Share the breadth of knowledge Workplace Pride has accumulated.
- Promote LGBTIQ+ inclusion within organizations.
- Encourage participants to become catalysts for LGBTIQ+ inclusion

With that in mind, we have created 5 packages with 10 modules. Each package has 2 modules depending on the progress of LGBTIQ+ inclusion within the organization.

# Our approach

- Up to 50 participants online.
- In-person session is also possible on site.
- 90-minute workshop (60 minutes is also possible).
- Encourage participants' active participation by using an interactive tool (mentimeter).
- Recording is possible

We also offer 'train the trainers' so that your L+D specialists can reach out to more colleagues to moderate the training internally.
